Foss Appointed to Historical Society Board

Scott Foss, of Mahtomedi, has been appointed to fill a position on the board of directors of the Washington County Historical Society.

Foss, who has worked within the Human Service area his entire professional career, is currently the Administrator of two group homes in Chisago County. He has worked with clients and staff of all ages as well as with colleagues in the developmentally disabled community.

“History is a family passion,” Foss said, “on our family vacations we always visit historical locations. Apparently our family adventures have impacted our children as well!” His two children have both won scholarships from the Washington County Historical Society and are continuing their education in the history field.

Foss and his son Parker are both members of the Washington County Historical Society’s vintage base ball club, the St. Croix’s. “Scott will be a great addition to the board of

directors,” said Brent Peterson WCHS executive director. “His knowledge of people and passion for history will bring the enthusiasm needed to oversee a growing organization like the WCHS.”

Washington County Historical Society collects, preserves, and disseminates the history of the county and the state of Minnesota.

Founded in 1934, the Washington County Historical Society is a private, donor-supported, nonprofit organization with more than 700 individual, family, and business members. WCHS is supported by individual gifts, memberships, earned income, and foundation grants. For more information, please visit www.wchsmn.org.
